National Practitioner Data Bank: Change in User Fee

The Health Resources and Services Administration (HRSA), Public Health Service (PHS), Department of Health and Human Services (DHHS), is announcing a change in the fee charged to entities authorized to request information from the National Practitioner Data Bank (Data Bank).

The user fee of \$6.00 for queries submitted by diskette or telecommunications network, with a \$4.00 surcharge added for queries submitted on paper, was announced in the **Federal Register** on June 1, 1993 (58 FR 31215).

The Data Bank is authorized by the Health Care Quality Improvement Act of 1986 (the Act), title IV of Public Law 99-660, as amended (42 U.S.C. 11101 *et seq.*). Section 427(b)(4) of the Act authorizes the establishment of fees for the costs of processing requests for disclosure and of providing such information.

Final regulations at 45 CFR part 60 set forth the criteria and procedures for information to be reported to and disclosed by the Data Bank. Section 60.3 of these regulations should be consulted for the definition of terms used in this announcement.

A reassessment of the full operating costs related to processing requests for disclosure of Data Bank information, as required by the DHHS Appropriations

Act of 1994 (title II of Pub. L. 103-112, dated October 21, 1993), as well as the comparative costs of the various methods for filing and paying for queries, has resulted in a decision to further reduce fees for users when they both query and receive responses via the telecommunications network as well as pay query fees by credit card, electronic funds transfer or such other electronic transfer options as may be offered in the future. The options to query and pay user fees by these means facilitate the querying process and make it less costly to both users and the Data Bank than all other available options.

Accordingly, the Department is reducing the basic user fee to \$3.00 per name per query submitted and paid via the method described above, with receipt by electronic method. A \$3.00 surcharge will be charged for queries submitted electronically on diskette to pay for the extra handling and mailing costs for these queries. A \$4.00 surcharge will be charged for all queries which are paid for by check or money order to cover the cost of debt management. Paper queries will no longer be accepted except practitioner self-queries. These changes are effective June 26, 1995.

The criteria set forth in § 60.12(b) of the regulations and allowable costs as required in the Appropriations Act of 1994 were used in determining the amount of this new fee. The criteria include such cost factors as: (1) Electronic data processing time, equipment, materials, computer programmers and operators or other employees; and (2) preparation of reports—materials, photocopying, postage, and administrative personnel.

When a request is for information on one or more physician, dentist, or other health care practitioner, the appropriate total fee will be \$3.00 (plus a \$3.00 and/or a \$4.00 surcharge for submission and payment as described above) times the number of individuals about whom information is being requested. For examples, see the table below.

The fee charged will be reviewed periodically, and revised as necessary, based upon experience. Any changes in the fee, and the effective date of the change, will be announced in the **Federal Register**.

Query method	Fee per name in query, by method of payment	Examples
Electronic (Telecom network)	\$3.00 (if paid electronically via credit card or other electronic means and response received electronically).	10 names in query. 10×\$3=\$30.00
Electronic (Diskette)	\$6.00 (if paid electronically via credit card or other electronic means and response received on paper).	10 names in query. 10×\$6=\$60.00
Electronic (Telecom network)	\$7.00 (if not paid via credit card or other electronic means)	10 names in query. 10×\$7=\$70.00
Electronic (Diskette)	\$10.00 (if not paid via credit card or other electronic means)	10 names in query. 10×\$10=\$100.00

* Paper queries will no longer be accepted except practitioner self-queries

Dated: June 1, 1995.
